B.2 Trinity Laban Academic Board Committees

**NB:** The term ‘committee’ denotes a body with designated decision-making responsibility. The term ‘meeting’ or ‘group’ denotes a body with responsibilities for communication and gathering information.

Four committees – Academic Standards and Quality; Learning & Teaching; Research; Knowledge Exchange and Public Engagement – are referred to as ‘boards’; to indicate the slight pre-eminence of these committees within the structure, which derives from their respective responsibilities for the main activities of the Institution – learning and teaching, research and third stream activities. Boards also oversee assessment activity.
