

TRINITY LABAN

Graduate School Showcase

Mon 10 - Fri 28 Jul, 2023

We are delighted to present Trinity Laban's Graduate School Showcase - the culmination of students' creative work during their postgraduate programmes in the Faculty of Dance.

Experimental and investigative in nature, the work draws upon collaborative and interdisciplinary practices arising from choreographic and performance-making research.

Join us throughout three weeks to see a showcase of final projects from students who have studied MA and MFA Choreography, MA and MFA Creative Practice: Dance Professional, MA and MFA Creative Practice: Transdisciplinary and the Research Degree Programme.

We hope you will explore the Showcase schedule with us and enjoy the shows.

A collaborative collection of diverse dance films surrounding themes of identity, connection, and personal narratives. With filming in San Francisco, Los Angeles, and London: this cross continental exploration traverses space with inspiration from both filmmakers and movement creators. This installation will provide insight into the decision making processes, and how accessibility and environment influenced the resulting products.

Special thanks to all of the amazing collaborators who trusted me with their time, efforts, and artistry. My family and friends for their continuous support. Carolyn Roy, Naomi Lefebvre Sell, and Elizabeth Kew Ross for their guidance.
