

TRINITY LABAN

Graduate School Showcase

Mon 10 - Fri 28 Jul, 2023

We are delighted to present Trinity Laban's Graduate School Showcase - the culmination of students' creative work during their postgraduate programmes in the Faculty of Dance.

Experimental and investigative in nature, the work draws upon collaborative and interdisciplinary practices arising from choreographic and performance-making research.

Join us throughout three weeks to see a showcase of final projects from students who have studied MA and MFA Choreography, MA and MFA Creative Practice: Dance Professional, MA and MFA Creative Practice: Transdisciplinary and the Research Degree Programme.

We hope you will explore the Showcase schedule with us and enjoy the shows.

move/dance/make

Performers: Caldonia Walton & Alex Gomar

Technician: Fay Patterson

AV support: Ian Peppiatt

We move, we dance, we make a performance, in the moment, of the moment.

An improvised performance practice that uses contact and improvisation to find story and scenario between two people. Caldy and Alex have been improvising together for the past year, taking inspiration from practitioners such as Ruth Zaporah, Nina Martin & Steve Paxton. We form a performance inspired by the space, each other and the audience.

Special thanks to Alex Gomar for coming on this ride with me!
