We are delighted to present Trinity Laban's Graduate School Showcase 2024 - the culmination of students' creative work during their postgraduate programmes in the Faculty of Dance.

Experimental and investigative in nature, the work draws upon collaborative and interdisciplinary practices arising from choreographic and performance-making research.

Join us throughout three weeks to see a showcase of final projects from students who have studied MA and MFA Choreography, MA and MFA Creative Practice: Dance Professional, MA and MFA Creative Practice: Transdisciplinary, MA Dance Performance.

We hope you will explore the Showcase schedule with us and enjoy the shows.

I don't know how to express my emotions I dream of her again and again she she's moon-bearing and secretive she brings me sensations of colours and tastes and shapes and touches that I can't even begin to describe in a million words.

I see her colours, her touch, and she reveals to me all the sensations she has experienced.
