MON 15 JULY, 12:00

Laban Theatre, Laban Creekside

We are delighted to present Trinity Laban's Graduate School Showcase 2024 - the culmination of students' creative work during their postgraduate programmes in the Faculty of Dance.

Experimental and investigative in nature, the work draws upon collaborative and interdisciplinary practices arising from choreographic and performance-making research.

Join us throughout three weeks to see a showcase of final projects from students who have studied MA and MFA Choreography, MA and MFA Creative Practice: Dance Professional, MA and MFA Creative Practice: Transdisciplinary, MA Dance Performance.

We hope you will explore the Showcase schedule with us and enjoy the shows.

This is a collaboration between a chair and me.
Together, we navigate our relationship through negotiating familiarity and not knowing,
being with and being present, handling and falling.
We are singularities in plural.
I feel you. You are there. Where are you?
You entered my body.
