We are delighted to present Trinity Laban's Graduate School Showcase 2024 - the culmination of students' creative work during their postgraduate programmes in the Faculty of Dance.

Experimental and investigative in nature, the work draws upon collaborative and interdisciplinary practices arising from choreographic and performance-making research.

Join us throughout three weeks to see a showcase of final projects from students who have studied MA and MFA Choreography, MA and MFA Creative Practice: Dance Professional, MA and MFA Creative Practice: Transdisciplinary, MA Dance Performance.

Everything began with a picture of Selina.

No. It began with
the breath.

No,

Selina it was.

Special thanks:

Special thanks to **Clare Baker**, **Hilary Stainsby**, and every teacher that answered my questions patiently in class , which have been keeping me inspired.

Special thanks to all my colleagues in TLDC and friends around that always show your care, support and talents.

Special thanks to my Family in Hong Kong, and to myself for not forgetting and giving up on my dream.
